DECISION OF ALASKAN BOUNDARY COMMISSION VERY UN-POPULAR IN CANADA.

## UNITED STATES IS SCORED

TRADED ON GOOD WILL THAT WOULD MAKE GREAT SACRIFICES TO FRIENDSHIP.

Toronto, Oct. 21.—Discussing the Alaskan boundary decision, the Telegram (Independent) says: "The Alaskan boundary controversy has ended just as all controversy in which British diplomacy plays a part must end, in victory for a country that is unscrupulous enough to claim everything and cunning enough to trade on the good will that would sacrifice anything rather than keep open a cause of difference with the United States." The Witness (Liberal) says editorially: "Ever since the Alaska boundary difference came to the fore, our conviction has been that Canada would substantially lose her case. When the United States consented to submission of the question to a joint high commission, it was with the certainty that she could not lose and an assurance universally expressed that she would gain. It was as certain as any human question could be that no commissioners appointed by the United States would go back to their country having voted to sacrifice Skagway and Dyea. To make assurance doubly sure the president sacrificed his dignity by selecting commissioners who had already publicly and determinately committed themselves."

Method of Procedure Criticized. The Montreal La Patrie, the organ of J. I. Tarte, ex-minister of public works, says editorially about the Alaskan decision: "Canada should never have agreed to settle the question except by arbitration where one country appoints representatives and the other country representatives and these an umpire. The manner in which the matter was settled was proposed to Canada in 1895 and then Laurier refused it. Six months ago he accepted the same proposition. Why was that?" The Montreal Herald (government) says: "The Canadian representatives have refused to sign the award because they conceive it to be a political rather than a judicial agreement and they find the interests of Canada sacrificed in consequence. At all events things have turned out just as reports said they would. Care seems to have been taken weeks ago to let it be known that Canada would be deeply

aggrieved at any denaturation from a judicial decision by what it was supposed to be a judicial tribunal and nothing more. It is not a judicial decision. Mr. Ayresworth and Sir Louis Jetté say, and there is nobody in Canada who stands high enough as a jurist to successfully challenge their authority. It is not a satisfactory ending."

## ON THE ALTAR OF FRIENDSHIP.

Britons Surrender Their Rights in Alaska.

London, Oct. 21.—"From a British viewpoint the best that can be said of the settlement of the Alaskan boundary dispute is that it is over." In the foregoing words the Graphic strikes the keynote of London press comment on the decision of the Alaskan boundary tribunal. This decision is generally denominated "the surrender of British rights on the altar of American friendship." While there is no suggestion of personal criticism of either Lord Chief Justice Alverstone or the American commissioners, the tendency is to regard the Canadian commissioners as the heroes of the hour for their refusal to sign the document surrendering what they considered to be the rights of the Dominion. The question of the effect of the decision and the attitude of Canada toward the mother country is seriously raised, and in some quarters it is predicted that the findings will strike a severe blow at the arbitration of any future case where there may be a conflict of colonial and American interests. No doubt is anywhere expressed but that Canada will abide loyally by the decision.

## BANKERS AT SAN FRANCISCO.

Thousands of Them Attend Convention of the Association.

San Francisco, Oct. 21.—Rapidly the hotels are filling up with delegates to the convention of the American Bankers' association. Fully 1,500 persons came in on special trains and there are other thousands who have reached California on regular trains. Several smaller conventions were in progress during the day. The trust company section of the American Bankers' association met at the California theater in the morning and the Savings bank section in the afternoon, at the lecture room of the Academy of Sciences building, but the bulk of the delegates are interested mainly in the general convention, which assembles today in the California theater, and they seem to pay little attention to the meetings of the various sections.

## John Philip Sousa Injured.

Washington, Oct. 21.—John Philip Sousa, the bandmaster, was thrown from his horse while riding in the city Tuesday. He fell on his head and hip, and while unconscious for a few minutes, was not hurt seriously. His physician expects him to be out again in a week.

## Spanish Miners Strike.

Bilbao, Spain, Oct. 21.—A strike broke out Tuesday in the Bilbao mining district and spread rapidly. At night 19,000 workers were idle. The railroad service has been interrupted. Reinforcements of troops are arriving here.

## VISITS GENERAL BATES.

Governor Bailey of Kansas Arrives at Fort Riley.

Fort Riley, Kan., Oct. 21.—A visit to General Bates by Governor Bailey of Kansas and the bursting of a steam connection between a dynamo supplying light for the officers' mess tent and the boiler, were the most stirring events of Tuesday at Camp Sanger. Governor Bailey, attended by his staff, arrived at camp headquarters about 3 o'clock, and after visiting General Bates, was driven to the camp of the Kansas troops. The steam connection between the dynamo and the engine parted shortly after 5 o'clock and produced a violent sizzling sound that threw the colored waiters and cooks into a panic, but no one was hurt. The day was barren of incident as far as military matters were concerned. Today the active work in the field will be held, the members of the national guard participating for the first time.

## MAY BE TRIED AGAIN.

Government Seeks Another Hearing in Alleged Conspiracy Cases.

Cincinnati, Oct. 21.—Judge C. Thompson of the United States district court is today expected to announce his decision for a new trial for D. V. Miller and J. M. Johns, for an alleged conspiracy to extort a bribe. When the jury was discharged Saturday night after being unable to agree on a verdict, it was stated it stood 7 to 5 for conviction, but later reports placed the poll at 9 to 3. It is evident from the activity among the representatives of the government here that Judge Thompson has been asked to set a date as early as possible for a new trial and that he is trying to arrange his docket so as to rehear the case at the present term of court.

## Injures Jailer and Escapes.

St. Peter, Minn., Oct. 21.—John Loffelmacher was convicted here Tuesday on two charges, one of these being arson. He escaped from jail last night by striking the jailer over the head with a poker and then locking him in the jail while he made his escape.

## Hermis Wins Brighton Cup.

New York, Oct. 21.—The Brighton cup of \$9,000, the last of the big handicaps of the year, was run at Brighton Beach track Tuesday and 15,000 persons saw E. R. Thomas' Hermis win easily by eight lengths in 2:53 2-5, with Major Daininger second.

## RUSSIA'S NEW TREATY

LATEST AGREEMENT WITH CHINA GIVES CZAR PRACTICAL CONTROL OF MANCHURIA.

## WILL FIGHT ANY OBJECTORS

RUSSIA AGREES TO CONDUCT WAR AGAINST ANY POWER THAT MAY PROTEST.

Berlin, Oct. 21.—The special correspondent of a Berlin newspaper quotes the Vostotschni Vestnik, a journal published in the far east, as authority for the statement that Paul Lessar, Russian minister to China, has concluded a treaty with China which gives Russia practical control of Manchuria, although under a nominal Chinese government. Russia undertakes to conduct any war arising with a third power from the new treaty.

The treaty provides that the appointment and dismissal of the governor general and commander-in-chief of the prefects in Manchuria shall be effected by the Chinese government in agreement with the Russian diplomatic representatives. The Chinese troops stationed in the three provinces of Manchuria shall be under Russian control, but if the Chinese soldiers are incapable of maintaining order and suppressing brigandage Russia is to have the right of using her own troops to this end.

Trading in Manchuria and the exploitation of mines there is prohibited except to Russians and Chinese. The customs are to be under joint Chinese and Russian control. The railroad becomes Chinese property on mutual agreement at the end of twenty years. The posts and telegraphs are to be under Russian and Chinese control and disputes are to be settled by a Russian referee. In the event of war with a third power arising from the new treaty it will be conducted by Russia and China in co-operation; should China withdraw her co-operation, Russia will carry on the war alone and in the event of victory China shall cede Manchuria to Russia and immediately withdraw all her civil and military officials.

The Chinese signatories to the treaty are given as Princes Tehn Wan Wen, Schai Han Tsi and Tchang Tehn.

## IRRIGATION CONGRESS OPENS.

James J. Hill Delivers Principal Address to North Dakotans.

Bismarck, N. D., Oct. 21.—The first state irrigation congress got away at a record-breaking clip Tuesday, and from the enthusiasm of the delegates the congress will be productive of much benefit to the state. Temporary organization was effected with E. A. Williams of Bismarck as chairman, and M. H. Jewell of Bismarck as secretary. Committees are now at work on credentials and platform.

The event of Tuesday was the address of James J. Hill, who with a party of business and commercial men of St. Paul, arrived in the afternoon. They were given a typical North Dakota welcome, and Mr. Hill's reception was cordial in the extreme. He was introduced to his audience at the Athenaeum by Governor White, and held his close attention throughout his address. Following his address he and the members of his party were dined at an old-fashioned barbecue. Afterward the party were given a drive about the city and in the evening were entertained at a game dinner. The city is full of prominent men of the state, including congressmen, legislators and county and state officers. Mr. Hill spoke upon the general progress of the Northwest, the value of irrigation and of diversified crops.

## GRAVELLE IDENTIFIED.

Ranch Hand Encountered Him at a Haystack.

Helena, Mont., Oct. 21.—J. T. Sherwood, the ranch hand who encountered a man at a haystack near Townsend in which nineteen pounds of giant powder were discovered later, identified Isaac Gravelle Tuesday as the man. Gravelle was arrested Sunday in the mountains west of Helena by Northern Pacific detectives. Gravelle is an ex-convict.

Superintendent Boyle of the Montana division and Chief of Detectives McFetridge declare that no power has been found on the track at Hell Gate canyon as reported.

## GROSSLY EXAGGERATED.

Wisconsin Bank Cashier Says Irregularities Are Magnified.

Wilwaukee, Oct. 21.—A special to the Sentinel from Fond du Lac, Wis., says: Cashier J. E. Leimer of the Princeton State bank told the Sentinel correspondent over the telephone Tuesday that the story of his irregularities has been grossly exaggerated, and that facts which will place him in a less unenviable light will soon become known. Asked whether bail had been offered for him, he said that it had not, and that, under the circumstances, he did not care to have it offered.

## MISS SARAH FINLEY,

Vice-President of the Palmetto Club, Memphis, Tenn.

WINE OF CARDUI is a thoroughly scientific and modern remedy, meeting the needs of the modern woman in the modern way—without the torture of an operation. Wine of Cardui has cured them in the privacy of their homes and it has found a place in the hearts of American women that no other medicine has found. In their gratitude over 10,000 American women have written letters commending Wine of Cardui. Wine of Cardui meets their wants as no other medicine does. It sustains the young girl at the shock of her entrance to womanhood. Women who take Wine of Cardui have little discomfort during pregnancy and little pain at childbirth. When the change of life appears they enter a happy, healthy old age. Every month it comes to the rescue to assist Nature in throwing the impurities from the body.

Miss Sarah Finley

following praise on Wine of Cardui:

"Among the numerous medicines placed before suffering women for their relief none can touch McEiree's Wine of Cardui. It towers above them all as a reliable female remedy. It simply drives pain and disease away and restores health in an incredibly short period. I have taken great interest in this medicine for the past two years, since it brought health and strength to me. I have also recommended it to a number of my friends and they who have used it speak of it in the highest terms and I feel that it is praise well bestowed."

If you are suffering from female weakness Wine of Cardui is the medicine you need.

You can have health the same as Miss Finley if you will take the Wine of Cardui treatment. If you need advice further than the complete directions given on the bottle, address The Ladies' Advisory Department, Chattanooga Med. Co., Chattanooga, Tenn.

Jerry Glunt has bought two lots just  
east of the Beach home on Juniper  
street and expects to build a modern  
residence.

Slow progress is being made these fine  
days on the new library building, and  
there is considerable complaint by the  
public as a result.

Mrs. James Towers Sr. and Mrs.  
James Towers Jr., with their families,  
left this afternoon for Albuquerque, N.  
M., to join their husbands.

Mrs. Isabelle Huffman, of Clinton, Ia.,  
who has been visiting in the city with  
her daughter, Mrs. E. B. McCullough,  
left for her home this afternoon.

Judge McClenahan and Court Re-  
porter George Moody returned today  
from Bemidji where the former tried a  
case. Judge McClenahan left this af-  
ternoon for Aitkin on business.

Mrs. Chas. C. Lightfoot, who has been  
in the office of J. M. Elder for four years,  
left today for Astoria, Ore., her future

## WILL DISTRIBUTE \$26,000.

Agent Michelet Begins the Distribution of  
the Regular Annual Payment  
to the Chippewas.

Agent Michelet has commenced the  
disbursement of \$26,000 among his wards,  
the per capita being \$5.25. This is the  
regular annuity payment, all the Chip-  
pewas on the White Earth reservation  
participating, also many others living in  
different parts of the state, who are en-  
rolled on the White Earth rolls. Three  
days will be consumed in making pay-  
ment at the agency after which Agent  
Michelet and aids will proceed to Wild  
Rice River, Pine Point, Leech Lake,  
Cass Lake, Minneapolis and Mille Lacs,  
returning to the agency about Novem-  
ber 6.

It is reported that between six and  
ten million feet of pine timber blew  
down on the reservation during the re-  
cent heavy wind storms. Agent Mich-  
elet is taking steps to have this pine  
logged the coming winter as it is  
thought it will deteriorate and become  
practically worthless before another  
year. To neglect to take some steps to-  
ward marketing this timber for the In-  
dians would result in a great loss to  
them, and for this reason Mr. Michelet  
will see if a plan can be devised by  
which the fallen timber can be market-  
ed and the Indians get the value of it.

It is expected that a few families of  
the Mille Lacs Indians will be removed  
to the White Earth reservation this  
fall, where they will be given allotments,  
houses, cattle, farming implements, etc.  
A large saw mill is being purchased  
with which to saw the lumber to build  
houses for these Indians. A shingle  
machine and planer is also being pur-  
chased so that all lumber and shingles  
necessary for the Indians, agency and  
school buildings can be manufactured  
on the reservation. Lumber that the  
government has been paying from \$40 to  
\$50 a thousand feet for can be manu-  
factured on the reservation delivered  
where needed for not to exceed \$12 a  
thousand feet.

## SEES GREAT DANGER IN IT.

Engineer Carr Thinks That Parents and  
Others Should Caution Children  
About Playing on Tracks.

Engineer Carr, who runs on Nos. 5 and  
6, has called attention to a rather im-  
portant matter, and something that all  
parents and others should take heed of.

Every time he comes in from the  
south he says there are dozens of child-  
ren playing on the tracks the other side  
of the Eighth street crossing, and some  
one is going to get caught unless some  
precaution is taken.

## MONEY IN BALTIMORE.

Large Condonment of Funds Avert  
Panic.

Baltimore, Oct. 21.—Four millions  
of dollars which arrived here early  
Wednesday morning by express from  
New York, Philadelphia and Washing-  
ton cleared the financial atmosphere  
and at the closing time of the var-  
ious monetary institutions in the af-  
ternoon there was every confidence  
that the crisis in the financial district  
of the city had been safely passed.  
Every incoming train during the late  
afternoon and evening brought pack-  
ages of money to the banks and trust  
companies, and it is now estimated  
that there is at least \$8,000,000 of  
currency in the vaults of the financial  
institutions of the city.

Conferences were held during the  
evening between various interests and  
it was stated late at night by a promi-  
nent banker that no further trouble  
among the banks or financial institu-  
tions of the city was probable.

The directors and the receiver of  
the Maryland Trust company, the first  
to close its doors on Monday, held a  
conference yesterday and discussed  
ways and means, but Receiver Allen  
McLane said he had nothing to make  
public, although he expressed the  
opinion that the company would soon  
be in position to pay dollar for dollar  
to all its depositors and creditors.

The directors of the Union Trust  
company also held a long session dur-  
ing the day. Receiver White ex-  
pressed the opinion that the company  
will in a few days resume business.

Other banking and trust companies  
have been well fortified with currency  
and no further trouble is expected  
from any quarter.

## RETURNS TO CONTROVERSY.

Mr. Chamberlain Replies to His  
Critics.

London, Oct. 21.—At Newcastle last  
night Joseph Chamberlain returned to  
the tariff controversy when he ad-  
dressed an enthusiastic meeting of  
4,000 persons and held his audience  
for an hour and a half. It was his  
first public appearance since his re-  
cent illness and he was apparently in  
good health. A novel feature of the  
meeting was a battery of telephone re-  
ceivers placed in front of the speak-  
er's platform by means of which the  
speech was conveyed directly to the  
offices of local newspapers.

Interest in the tariff controversy  
has apparently not abated, reports on  
the speech and comments on it taking  
precedence in the press over even the  
decision of the Alaskan boundary tri-  
bunal. The speech was principally a  
reply to criticisms of Mr. Chamber-  
lain's previous utterances. He declar-  
ed he was glad to try and answer any-  
one who was ready to discuss the  
problem from a national and party  
standpoint and deprecated the per-  
sonal elements, which several of his  
principal opponents had injected into  
the controversy. The former colonial  
secretary devoted considerable atten-  
tion to ridiculing Lord Rosebery, Sir  
Henry Campbell Bannerman and Earl  
Spencer.

## CANADIANS DISGUSTED.

Alaskan Boundary Award Decidedly  
Unpopular.

Victoria, B. C., Oct. 21.—British Co-  
lumbians have heard the news of the  
settlement of the Alaskan boundary  
question with a feeling bordering on  
disgust at what is popularly termed  
the sacrifice of Canada by Great Brit-  
ain on the altar of political expediency.  
The people of Western Canada are  
bitter because of this and the general  
trend of opinion seems to be that the  
action of the British commission-  
ers has started a wave of popular op-  
inion which may be the opening wedge  
of the secession of Canada from the  
patriotic reliance upon the mother  
country.

The British commissioner, Lord Al-  
verstone, is being criticized on all  
sides for his action in agreeing with  
the Canadian commissioners, as they  
state in their manifesto, and then  
agreeing to a compromise after dis-  
cussion with the American commis-  
sioners.

Give Birth to Four Girls.

Zanesville, O., Oct. 21.—Mrs. Wil-  
liam Tate, a colored woman, thirty-two  
years old, Tuesday gave birth to four  
girl babies, all of normal size and  
weighing more than six and one-half  
pounds each.

## DULUTH WOMAN CREMATED.

Boiling Tar Ignites Her Clothing and  
Causes Death.

Duluth, Oct. 21.—Mrs. Glen Dalcour,  
wife of an electrician, was burned to  
death at her home Tuesday, her little  
four-year-old daughter being the only  
witness to the tragedy.

The woman was heating some tar  
on the kitchen stove at her home on  
Park point, when it boiled over onto  
her clothing, which became ignited.  
Mrs. Dalcour ran from the house out  
into the yard and before assistance  
was at hand her body was reduced to  
ashes.

## FOUND GUILTY OF CONTEMPT.

Prominent Des Moines Men Tried to  
Influence Jurors.

Des Moines, Ia., Oct. 21.—Five  
prominent Des Moines men were Tues-  
day found guilty of contempt of court  
by trying to influence jurors. Three  
were fined to the fullest extent of the  
law. They were W. L. White, E. H.  
Hunter, J. O. Wells, Michael Drady  
and F. A. Marvin. Those against  
whom the severest punishment was di-  
rected are the first three. It was ad-  
mitted that no juror had been in-  
fluenced, but there was evidence that  
attempts had been made.

## ENTHUSIASTIC MEETING HELD

Laboring Men of City Met with  
J. W. Carroll to Discuss Min-  
neapolis Strike.

MAYOR HALSTED WAS PRESENT

And also Spoke on Labor Question  
--Mr. Carroll Asked Moral and  
Financial Aid.

There was a very good attendance at the meeting in Trades and Labor hall last night when J. W. Carroll, of Minneapolis, a member of the advisory board of the International Union of Flour and Cereal Mill employees, was present to discuss the big mill strike that is now on at Minneapolis, and interest those present in the strike and secure their aid both from a moral and financial standpoint.

President Heron, of the Trades and Labor Assembly, presided at the meeting and at the opening made a few remarks. He then called upon Mayor A. J. Halsted, who discussed the labor question in a very able and intelligent manner, covering in a general way the principles involved in affiliated labor and their importance to labor and capital.

Mr. Carroll was then called upon and he gave an exhaustive history of the strike in the flour mills of Minneapolis. His remarks were attentively listened to and it is thought that he succeeded in making his points very clear.

Mr. Carroll stated that it was very important that this fight be won in Minneapolis, and in order to do this the men who had the strike in charge needed the support of all honest laboring men, both financially and otherwise, for the result will effect organized labor throughout the length and breadth of the land. It is really the first fight of organized capital against organized labor. He explained that it was a fight against the American Manufacturers association, under whose control the mills of the twin cities had passed, and by whose directions such warfares are fought out. Of the 1800 men out in the twin cities many are old men. These men have to be taken care of and the aid of the laboring men in this city was asked. He gave the details regarding the fight thus far. He says that the mills are all fenced in, the men live inside the mills, eat and sleep there and never come out.

The direct attack is being made by the union against the Washburn Crosby mill as a test and it is figured that whichever way the strike goes that the result will determine the position of the unions toward the other mills involved.

Mr. Carroll asked that each union in the city take the matter up separately and do something toward relieving the situation. He left immediately after the meeting for Little Falls, where a meeting will be held tonight, and the speaker of the occasion will be Mayor Chas. Vassaly.

## RAILROAD GOSSIP

The new road to run from Mankato to Duluth by way of Courtland, New Sweden, Gaylord, New Auburn, Hutchinson and St. Cloud is to be called the Minnesota Central. It has been capitalized at \$300,000 in New Jersey. The proposition is to bond the road for \$2,000,000.

General Manager Thomas Cooper, of the Northern Pacific, is still more impressed today with the belief that Isaac Gravelle is the chief conspirator in the Montana Dynamite outrages. Gravelle, as stated last night, had been arrested soon after he was seen placing dynamite on the tracks.

Hole Which was Plugged into C.

This morning shortly before the noon hour C. M. Patek and others in his store around on Seventh street were startled when the big plate glass in the window cracked. Upon investigation it was found that a small bullet had penetrated the glass making a hole clear through about the size of a pea. The plate was broken almost in two. Mr. Patek has no means of knowing who fired the bullet, but supposes that some young boy with an air gun or a twenty-two rifle while playing across the street did it.

## DON'T LEAVE THE CITY

Plenty of Proof Right Here in Brainerd  
Claim is one thing, proof another.  
Columbus claimed the world was round.

Did people believe it? Not until he proved it.  
Unproven claims have made the people skeptics.  
Every claim made for the "Little Conqueror" is proven.  
Proven in Brainerd by local experience.

Here is one case from the many we have:

Mrs. J. H. Zellers, of 63 Main street, says: "I believe that after what Doan's Kidney Pills did for me they will help any one similarly troubled. Before using them I suffered for six months from my kidneys, there was a miserable feeling of pressure over those organs and the secretions were scanty. Besides this there was a heavy pain across the small of my back. A box of Doan's Kidney Pills were gotten at the nearest drug store and as I was glad to try anything to obtain relief, I took the pills and really they acted like a charm. I can truthfully say that I have not a symptom since. In my old condition I could not do a half day's work without my back giving me no end of trouble."

## MUSIC AND DRAMA.

SIS HOPKINS.

"Sis Hopkins" in its fifth season is just as laughable, just as pathetic, and just as thoroughly enjoyable as it was at its first. The crowd which witnessed the performance at the Grand last night bore ample testimony to that fact. Persons who had seen it before were not distinguishable from those who had not by visible restraint upon their laughter or their tears. All was new in the little pastoral comedy, new although old and almost to be repeated by heart.

A good play is like a good book. Once being read does not exhaust it. And whatever may be said of the faults of the play "Sis Hopkins" is a good play; compared with some of the travesties which afflict the stage today it is a gem. Rose Melville has lost none of the charm which in the creation of Sis Hopkins made the play such a success. Her inimitable ungainliness; her quaint philosophy; her utter bashfulness; her golden qualities of heart have not lost their original flavor. Our little Hoosier friend has not been a disappointment upon renewed acquaintance.

The cast is practically the same as that of previous appearances and is a competent and capable body. St. Paul Dispatch, October 5th, 1903.

Rose Melville and her very funny play comes to the Brainerd Theatre tomorrow night. Seats are now selling at Dunn's, and you had better hurry if you wish to secure a sitting.

## "THE BURGOMASTER."

The seats for "The Burgomaster," the big musical comedy success which will be seen here next Saturday night, Oct. 24 will go on sale Friday at Dunn's.

The production this year is said to be the best the great light opera has ever had and there are many of the famous original cast among the principals. The company is headed by Ruth White and Oscar L. Fingam and numbers sixty people.

## MR. ARTHUR FARWELL.

The Ladies Musicales club's efforts in securing such artists as Mr. Arthur Farwell should be appreciated by all Brainerd people. The recital-lecture will be at the First Congregational church on the evening of October 30 and the following taken from the Lewiston, Me., Journal is what some people think of this artist: "Arthur Farwell's musical lecture on the 'Songs of the American Indian' was a great lesson in humanity and morals; it showed us that beneath the surface of the 'hostile savages' as we are accustomed to consider them, lies a rich spiritual life, full of tenderness, pathos, heroism, and the sense of Nature's beauty and majesty. But Arthur Farwell did more than reveal the spirit of the American Indian, he revealed the spirit and source of music itself. The Indian songs, as he renders them, show us how these attributes of nature and humanity are put into music directly; and the clearness and vividness with which the Indian songs portray their moods and emotions teach us with admirable force that music is a mode of expressing the human heart and soul, and not a mere decoration of pleasing sounds, melodies and harmonies."

## EDWARD BAXTER PERRY.

Mr. Edward Baxter Perry, who is to appear in concert in this city on the evening of Nov. 2 under the auspices of the Brainerd Ladies Musicales club is spoken of as follows by the Boston Journal: "Mr. Perry has no reason to claim indulgence on account of blindness, nor does he. There are few pianists who are his equals, and scarcely any who possess the same poetic perception and inspiration. His touch is firm, yet delicate, and his execution surprisingly smooth and correct."

The management of the opera house has decided to make the prices in the gallery to 50 cents hereafter and will not reduce them until such time as those who patronize that portion of the house learn to respect the feelings of people who attend the play to enjoy themselves.

**SEVERAL LIVES LOST**  
STEAMER SOUTH PORTLAND IS  
WRECKED ON CAPE ELANCO  
REEF DURING A FOG.  
TWO OF THE BOATS CAPSIZE  
TWENTY-ONE PERSONS MISSING  
AND SEVENTEEN SUCCEEDED IN  
REACHING SHORE.

Marshfield, Ore., Oct. 21.—In a blind-  
ing fog the steamer South Portland,  
bound for San Francisco from Port-  
land with a cargo of wheat and carry-  
ing a crew of twenty-five men and  
fourteen passengers, struck on Cape  
Elanco reef at 10 o'clock Monday  
night, while steaming at the rate of  
seven knots.  
The South Portland struck bow on,  
which lifted her forward parts high  
out of the water and she settled af-  
ter and later slid off the rocks and im-  
mediately began to fill with water.  
The captain, seeing that all hope of saving  
his ship was gone, gave orders to  
man the life craft with all possible  
haste. Two boats and the life raft  
were lowered. One boat containing  
the captain and seventeen souls cap-  
sized as they were getting away from  
the sinking steamer and only seven of  
the eighteen were able to get into the  
boat again. The other boat also cap-  
sized and was seen drifting away in  
the thick fog without a person in it.  
The survivors of the ill-fated steamer  
reached Port Crawford Monday  
evening in a pitiable condition from  
exposure to the cold wind and waves.  
They have little hopes for the remain-  
der of the passengers and crew. The  
survivors are:  
Captain McKinley Reed, John Ray-  
mer, sailor, San Francisco; Emanuel  
Phononis and William L. Wilson, Jr.,  
Baltimore; L. Baker, Alameda, Cal.;  
Guy Bent, twelve years old, Nova Scot-  
ia; A. L. Bailey, North Dakota, pas-  
sengers.  
A heavy fog is hanging over the  
coast here and indications are most  
unfavorable for rescue work.  
Latest reports from the disaster  
state that seventeen people have been  
rescued, one is dead and twenty-one  
are missing.

**LYNCHING IN PROSPECT.**  
Enraged Farmers Pursuing Assailant  
of a Young Girl.  
Rosedale, Ind., Oct. 21.—Twenty  
enraged farmers are on the trail of  
an unknown man who Tuesday  
brutally mistreated Lena Alkire, ten-year-  
old daughter of William Alkire. The  
assault was committed in the road  
as the little girl and her four-year-old  
brother were returning from an er-  
rand. The man was riding on a bicy-  
cle and threatened to kill the children  
if they told of his deed. The child  
was able to describe the man to her  
father. Alkire came to Rosedale to  
call a physician and ask for help in  
running down the assailant. A man  
answering the description given by  
the girl was seen passing Rosedale in  
the afternoon. A posse was soon or-  
ganized and took the road followed  
by the wheelman. Excitement is in-  
tense and it is doubtful if lynching  
can be prevented if the guilty man is  
caught.

**DULUTH MEN INDICTED.**  
Charged With Trespassing Upon Gov-  
ernment Land.  
Duluth, Oct. 21.—The United States  
grand jury has returned indictments  
against Peter Pronovean and John W.  
McKinley, charging trespass upon gov-  
ernment land. The former has been  
the star witness for the government  
in the civil action which has been on  
trial in the United States court  
against Bates and McDonald, who it is  
alleged, have conducted logging opera-  
tions in Cook county, this state, upon  
land which belongs to Uncle Sam. Not  
only is there a civil action against D.  
McDonald, but he has likewise been  
indicted and it is thought will be tried  
at the present term of court.

**FIGHT WITH NEGROES.**  
Bloody Encounter Occurs in St. Charles  
Parish, La.  
New Orleans, Oct. 21.—In a bloody  
encounter between a band of negroes  
led by a white man and a constable's  
posse three negroes have been killed  
and seven or eight wounded in the  
rear of Pecan Grove plantation, in St.  
Charles parish. None of the posse  
was hurt. The surviving negroes and  
their white leader, Pat McGee, fled  
to the swamps and are being searched  
for. Further trouble is feared.

**GIVEN A SEVERE BEATING.**  
Isaac Moore Switched by Indiana  
Whitcaps.  
Rochester, Ind., Oct. 21.—Five men  
masked, with their heads covered with  
pillow cases, dragged Isaac Moore  
from his house early Wednesday morn-  
ing and gave him a severe beating.  
He was pulled up by the hands till  
his feet cleared the ground and then  
beaten with switches. He was ac-  
cused of abusing his family who lived  
near Athens, five miles from here.

**St. Paul Man Suicides.**  
St. Paul, Oct. 21.—Laughlin J. Hart,  
aged fifty-one, secretary of the St.  
Paul board of trade, committed sui-  
cide in his office about 11:30 a. m. by  
shooting himself in the head with a  
heavy calibre revolver. He died at  
St. Luke's hospital shortly after 1  
o'clock. No reason for the deed is  
known.

**Murderers to Be Executed.**  
Toledo, O., Oct. 21.—The circuit  
court Tuesday refused to grant new  
trials for Al and Ben Wade, convicted  
of the murder of Katherine Sullivan,  
and ordered that they be executed  
Nov. 21.

**M'GOVERN DEFEATS BRIGGS.**  
But the Former Champion Is Badly  
Punished.  
Boston, Oct. 21.—Terry McGovern,  
former featherweight champion of the  
world, was given the decision over  
Jimmy Briggs of Chelsea last night,  
after a hard fifteen-round battle before  
the Criterion Athletic club. For ten  
rounds the ex-champion seemed to  
have lost his old time cunning and  
even a favorable decision for him  
seemed doubtful. Toward the end  
however, superior ring generalship  
told the story, and he had the Chil-  
sea boy completely at his mercy.  
At the start McGovern invited in-  
fighting, rushing into clinches when-  
ever possible, but he fared badly at  
this game and received a severe pun-  
ishing during the early part of the  
battle. In the breakaway, also Mc-  
Govern seemed weak and well direct-  
ed blows in the fourth and ninth  
rounds sent him to the floor.

**PENDING INVESTIGATION.**  
Twenty-eight Welsh Miners Detained  
at Philadelphia.  
Philadelphia, Oct. 21.—Twenty-eight  
of the forty Welsh miners who arrived  
here on the steamship Haverford Sun-  
day were Tuesday permitted to pro-  
ceed to their destination. Immigra-  
tion Commissioner Rodgers has, how-  
ever, detained twenty-eight others  
pending further investigation. Evi-  
dence has been secured which leads  
the commissioner to believe the min-  
ers were brought here in violation of  
the contract labor law.  
Attorney General Knox has been  
asked to institute proceedings against  
James W. Ellsworth & Co., mine own-  
ers at Ellsworth, Pa., who it is claim-  
ed have brought many miners here  
under contract from Wales.

**VERY TAME AFFAIR.**  
Lou Dillon Easily Defeats Major Del-  
mar.  
Memphis, Tenn., Oct. 21.—What was  
expected to be one of the greatest hor-  
se contests in local history  
proved to be a very tame affair Tues-  
day, when Lou Dillon gave Major Del-  
mar a decisive beating in two straight  
heats in ordinary time. The two-min-  
ute trotters met in the second renewal  
of the Memphis gold cup. Ideal  
weather conditions prevailed and the  
track was in perfect shape. Fully  
15,000 people were in attendance.  
Lou Dillon won both heats easily in  
2:04 1/2.

**COAL OIL EXPLOSION.**  
One Person Killed and Two Others  
Badly Burned.  
Washington, Oct. 21.—Clinton Mulli-  
can, eight years old, was burned to  
death, his sister Florence probably fa-  
tally injured and his mother, Mrs.  
Gertrude Mullican, painfully burned  
about the head and hands in a fire  
which was caused by a coal oil explo-  
sion in a tenement house here Tues-  
day. Clinton used the oil in starting a  
fire.

perjury, it being alleged that he had  
committed the crime during his own  
trial.

**BLACKMAILERS ARE BUSY.**  
Great Northern Railroad Asked to  
Hand Over \$15,000.  
Helena, Mont., Oct. 20.—According  
to well authenticated reports the  
Northern Pacific Railway company is  
not alone in its troubles with the  
blackmailers, though it has so far been  
the only sufferer. For several days  
there has been a number of Great  
Northern secret service men in Hel-  
ena and vicinity and it has developed  
that their mission is to try to locate  
the person who has sent the company  
a letter levying blackmail.  
The letter was mailed at Cascade  
and it demanded the payment of \$15-  
000.  
The railroad company was com-  
manded to fly a signal if it acceded to  
the demand and was given until Tues-  
day evening, Oct. 23, to comply. If it  
did not comply then the amount of the  
blackmail would be raised to \$20,000  
and, besides, the letter said, would  
be used on the rails.

## SEVERAL LIVES LOST

STEAMER SOUTH PORTLAND IS  
WRECKED ON CAPE BLANCO  
REEF DURING A FOG.

TWO OF THE BOATS CAPSIZE

TWENTY-ONE PERSONS MISSING  
AND SEVENTEEN SUCCEEDED IN  
REACHING SHORE.

Marshfield, Ore., Oct. 21.—In a blind-  
ing fog the steamer South Portland,  
bound for San Francisco from Port-  
land with a cargo of wheat and carry-  
ing a crew of twenty-five men and  
fourteen passengers, struck on Cape  
Blanco reef at 10 o'clock Monday  
night, while steaming at the rate of  
seven knots.

The South Portland struck bow on,  
which lifted her forward parts high  
out of the water and she settled aft  
and later slid off the rocks and im-  
mediately began to fill with water.  
The captain, seeing that all hope of saving  
his ship was gone, gave orders to  
man the life craft with all possible  
haste. Two boats and the life raft  
were lowered. One boat containing  
the captain and seventeen souls cap-  
sized as they were getting away from  
the sinking steamer and only seven of  
the eighteen were able to get into the  
boat again. The other boat also cap-  
sized and was seen drifting away in  
the thick fog without a person in it.

The survivors of the ill-fated steamer  
reached Port Crawford Monday  
evening in a pitiable condition from  
exposure to the cold wind and waves.  
They have little hopes for the remain-  
der of the passengers and crew. The  
survivors are:

Captain McKinley Reed, John Ray-  
mer, sailor, San Francisco; Emanuel  
Phonons and William L. Wilson, Jr.,  
Baltimore; L. Baker, Alameda, Cal.;  
Guy Bent, twelve years old, Nova Scot-  
ia; A. L. Bailey, North Dakota, pas-  
sengers.

A heavy fog is hanging over the  
coast here and indications are most  
unfavorable for rescue work.

Latest reports from the disaster  
state that seventeen people have been  
rescued, one is dead and twenty-one  
are missing.

LYNCHING IN PROSPECT.

Enraged Farmers Pursuing Assailant  
of a Young Girl.

Rosedale, Ind., Oct. 21.—Twenty  
enraged farmers are on the trail of  
an unknown man who Tuesday  
brutally mistreated Lena Alkire, ten-year-  
old daughter of William Alkire. The  
assault was committed in the road  
as the little girl and her four-year-old  
brother were returning from an er-  
rand. The man was riding on a bicy-  
cle and threatened to kill the children  
if they told of his deed. The child  
was able to describe the man to her  
father. Alkire came to Rosedale to  
call a physician, and ask for help in  
running down the assailant. A man  
answering the description given by  
the girl was seen passing Rosedale in  
the afternoon. A posse was soon  
organized and took the road followed  
by the wheelman. Excitement is in-  
tense and it is doubtful if lynching  
can be prevented if the guilty man is  
caught.

DULUTH MEN INDICTED.

Charged With Trespassing Upon Gov-  
ernment Land.

Duluth, Oct. 21.—The United States  
grand jury has returned indictments  
against Peter Pronevau and John W.  
McKinley, charging trespass upon gov-  
ernment land. The former has been  
the star witness for the government  
in the civil action which has been on  
trial in the United States court  
against Bates and McDonald, who it is  
alleged, have conducted logging opera-  
tions in Cook county, this state, upon  
land which belongs to Uncle Sam. Not  
only is there a civil action against D.  
McDonald, but he has likewise been  
indicted and it is thought will be tried  
at the present term of court.

FIGHT WITH NEGROES.

Bloody Encounter Occurs in St. Charles  
Parish, La.

New Orleans, Oct. 21.—In a bloody  
encounter between a band of negroes  
led by a white man and a constable's  
posse three negroes have been killed  
and seven or eight wounded in the  
rear of Pecan Grove plantation, in St.  
Charles parish. None of the posse  
was hurt. The surviving negroes and  
their white leader, Pat McGee, fled  
to the swamps and are being searched  
for. Further trouble is feared.

GIVEN A SEVERE BEATING.

Isaac Moore Switched by Indiana  
Whitcaps.

Rochester, Ind., Oct. 21.—Five men  
masked, with their heads covered with  
pillow cases, dragged Isaac Moore  
from his house early Wednesday morn-  
ing and gave him a severe beating.  
He was pulled up by the hands till  
his feet cleared the ground and then  
beaten with switches. He was ac-  
cused of abusing his family who lived  
near Athens, five miles from here.

St. Paul Man Suicides.

St. Paul, Oct. 21.—Laughlin J. Hart,  
aged fifty-one, secretary of the St.  
Paul board of trade, committed sui-  
cide in his office about 11:30 a. m. by  
shooting himself in the head with a  
heavy calibre revolver. He died at  
St. Luke's hospital shortly after 1  
o'clock. No reason for the deed is  
known.

Murderers to Be Executed.

Toledo, O., Oct. 21.—The circuit  
court Tuesday refused to grant new  
trials for Al and Ben Wade, convicted  
of the murder of Katherine Sullivan,  
and ordered that they be executed  
Nov. 21.

McGOVERN DEFEATS BRIGGS.

But the Former Champion Is Badly  
Punished.

Boston, Oct. 21.—Terry McGovern,  
former featherweight champion of the  
world, was given the decision over  
Jimmy Briggs of Chelsea last night,  
after a hard fifteen-round battle before  
the Criterion Athletic club. For ten  
rounds the ex-champion seemed to  
have lost his old time cunning and  
even a favorable decision for him  
seemed doubtful. Toward the end,  
however, superior ring generalship  
told the story, and he had the Chel-  
sea boy completely at his mercy.

At the start McGovern invited in-  
fighting, rushing into clashes when-  
ever possible, but he fared badly at  
this game and received a severe num-  
bリング during the early part of the  
battle. In the breakaway, also Mc-  
Govern seemed weak and well direct-  
ed blows in the fourth and ninth  
rounds sent him to the floor.

PENDING INVESTIGATION.

Twenty-eight Welsh Miners Detained  
at Philadelphia.

Philadelphia, Oct. 21.—Twenty-  
eight of the forty Welsh miners who  
arrived here on the steamship Haverford Sun-  
day were Tuesday permitted to pro-  
ceed to their destination. Immigra-  
tion Commissioner Rodgers has, how-  
ever, detained twenty-eight others  
pending further investigation. Evi-  
dence has been secured which leads  
the commissioner to believe the min-  
ers were brought here in violation of  
the contract labor law.

Attorney General Knox has been  
asked to institute proceedings against  
James W. Ellsworth & Co., mine own-  
ers at Ellsworth, Pa., who it is claim-  
ed have brought many miners here  
under contract from Wales.

VERY TAME AFFAIR.

Lou Dillon Easily Defeats Major Del-  
mar.

Memphis, Tenn., Oct. 21.—What was  
expected to be one of the greatest har-  
ness horse contests in local history  
proved to be a very tame affair Tues-  
day, when Lou Dillon gave Major Del-  
mar a decisive beating in two straight  
heats in ordinary time. The two-min-  
ute trotters met in the second renewal  
of the Memphis gold cup. Ideal  
weather conditions prevailed and the  
track was in perfect shape. Fully  
15,000 people were in attendance.  
Lou Dillon won both heats easily in  
2:04 1/2.

ally injured and his mother, Mrs.

which was caused by a coal oil explo-  
sion in a tenement house here Tues-  
day. Clinton used the oil in starting a  
fire.

McGOWAN EJECTED.

Former Informer Insists on Dowle  
Answering Questions.

New York, Oct. 21.—Dr. Dowle, ar-  
rested in evening clothes, talked for  
two hours last night before a great  
throng in Madison Square Garden, the  
burden of his talk being denunciation  
of the clergy and the press.

When he began the huge garden was  
crowded and the police say 6,000 per-  
sons who could not gain entrance were  
turned away. In half an hour, how-  
ever, the crowd began to surge out,  
and then the police refused to admit  
any late comers, saying they feared a  
riot.

It was with some difficulty that any  
semblance of order was kept. The  
speaker was repeatedly interrupted  
with hisses and shouts of disapproval.

Carrie Nation, who occupies a seat  
near the front, asked "Elijah" to  
answer some questions. He refused  
and ordered her to sit down.

Dowle then praised the spirit in  
which Mrs. Nation had warned on the  
saloon, but said she used wrong  
methods. Mrs. Nation again remon-  
strated. At once the Zion guards surrounded  
her and with the help of several po-  
licemen ejected her.

Dowle attacked Rev. Dr. P. Schaefer,  
Rev. Dr. S. P. Henson, J. P. Morgan  
and others.

Dr. Schaefer has written an open  
letter to Dowle pointing out the threat  
"Elijah" for his coarse and anti-christ-  
ian words.

ference. Rt. Rev. Satterlee, bishop of  
Washington, received the bishops at
